

Food Services Program News 2008

As we continue to strive for ways to better meet the needs of our students, we will be asking for their input as well as those of their parents to help us continually improve our program. We strongly encourage students and parents to contact our Lead Managing Cook – Eleanore Crawford via email crawforde@estacada.k12.or.us or by phone (503) 630-6871 ext.2880 or cell (503) 572-7559

Menu!

Lunch menu – Attached is the September, 2008 menu

Elementary schools will have three daily choices

- ❖ Entrée Salad
- ❖ Sandwich of the Day
- ❖ Special of the Day

Junior High School will have all the above choices plus a daily choice of pizza.

High School will have all the choices above plus a daily choice of pizza or a “Burger of the Day”

In an effort to ensure our students receive a well-balanced and nutritional meal, we have discontinued the self-serve fruit/vegetable bar at the Elementary grade

level. **Our staff will be serving a varied selection of fruits and vegetables to our Elementary students at our serving lines.**

Students are welcome to return for seconds on fruits and vegetables. We will continue to offer a simplified

fruit/vegetable bar at the Junior High and High School to allow our older students expanded options.

would qualify!!

Fill Out Free and Reduced Lunch Applications – Please!!!

Our students benefit greatly from the National School Lunch Program. We can maximize those benefits by qualifying each and every child that meets the criteria for free or reduced lunch. Please fill out the application and return it to your student's building. Remember, you only have to fill out one application for all of your children. Applications should come home in the first mailing of the year and are also available on the web.

We are excited about the changes we are implementing for the 2008–2009 school year and are looking forward to serving our students nutritious and appealing meals. If you have any questions or comments, please feel free to contact me.
