

## **Title IID Technology 2008/2009 Allocation \$2,269.**

The purpose of Title IID is to assist districts in implementing a comprehensive system that effectively uses technology in schools to improve student academic achievement;

Support high-quality professional development programs that enable schools to effectively integrate technology into curriculum and instruction aligned with state academic standards and Instructional Technology Common Curriculum Goals;

Enhance ongoing professional development for teachers, principals, and administrators by providing constant access to training and updated research in teaching and learning through electronic means such as, but not limited to, [Oregon's Teaching and Learning Resources](#);

Assist districts in the acquisition, development, interconnection, implementation, improvement, and maintenance of an effective educational technology infrastructure in a manner that expands access of technology to students (particularly disadvantaged students) and teachers;

Support the rigorous evaluation of programs regarding the impact of Ed Tech programs on student academic achievement, and ensure the results are widely accessible through electronic means.

This year the district plans to use the 08/09 funding to support teacher training on Intellitec LearnMate software in order to provide a deeper trainer or trainer model for students using the virtual LearnMate PTE curriculum.
