Public School Rights:

Estacada School District will strive to ensure that homeless children and youth will have the equal access to the same free, appropriate public education, including a public preschool education, as other children and youth.

Homeless children and youth are entitled to immediate public school enrollment. The terms "enroll" and "enrollment" include attending classes and participating fully in school related activities.

Homeless children and youth are entitled to enrollment at their school of origin, "provided" it is in the best interest of the student, is requested by parent's, and is "feasible." The school of origin is the school *last* attended by the homeless child or youth at the onset of homelessness.

How will "Estacada School District" help our homeless youth and students?

We may provide school supplies, free school meal programs, school related fees, referrals to early and special education, academic support's, school related transportation options and arrangements, and referrals to other supplemental and community services in order to ensure equal educational access to for our homeless youth and students. For further assistance see your building principal or call your district's "Homeless Education Liaison" at 503-630-6871 #2904.
