

## Annual Parent Notice Right to Request Teacher Qualifications

255 NE 6<sup>th</sup> Avenue, Estacada, Oregon

(503) 630-6871

September 2009

Dear Parent or Guardian:

As you know, in January 2001, congress passed the No Child Left Behind legislation. As a result, the district is required to give certain notices to parents.

One of these notices is the parents' right to request information regarding the professional qualifications of their children's classroom teacher(s). If you request this information, the district or school will provide you with the following as soon as possible.

- a. Whether the teacher has met state licensing requirements for the grade level and subjects in which the teacher is providing instruction (Please note: All of the teachers in our district have met the state licensing requirements; however, some do not meet the federal standards);
- b. Whether the teacher is teaching under an emergency status for which state licensing requirements have been waived;
- c. The type of college degree, major of the teacher, and the academic area of any graduate degree or certificate; and
- d. Whether your child is receiving Title 1 services from paraprofessionals and, if so, his/her qualifications.

If you would like to request this information, please contact in writing:
