The Law--OAR 581-022-1620:

Required Instructional Time

(1) Each school district shall annually adopt and implement a school calendar which provides its students at each grade level with the following minimum number of instructional hour

- (a) Grades 9-12 - 990 hours;
- (b) Grades 4-8 = 900 hours;
- (c) Grades 1-3 - 810 hours;
- (d) Grade K - 405 hours;

(e) A district unable to meet minimums for a particular grade level, e.g., when Grade 9 is part of a 7-9 configuration, should utilize the request for a waiver process set forth in OAR 581-022-0802.

(2) There shall be no fewer than 265 consecutive calendar days between the first and last instructional day of each school year at each grade level.

(3) No student shall be required to exceed the following number of instructional hours per day:

- (a) Grades 9-12 - 7 hours;
- (b) Grades 4-8 - 6.5 hours;
- (c) Grades K-3 - 6 hours;

(4) School assemblies, student orientations, testing, parent-teacher conferences, and other instructionally related activities involving students directly may be included in the required instructional hours. However, transportation to and from school, passing times between classes, non-instructional recess and lunch periods shall not be included. Passing time is defined, as those minutes between segments of the program that are apparent in the school's daily schedule.

(5) **When approved by a local school board**, annual instructional hour requirements stated in section (1) of this rule **may be reduced as follows:**

(a) Up to a total of **30 hours to accommodate staff development activities, pupil transportation** schedules, or other local program scheduling arrangements;

(b) **Up to a total of 14 hours of emergency** school closures due to adverse weather conditions and facility failures.

(6) **Student and staff activities related to the opening and closing of the school year, grade reporting, program planning, staff meetings, and other classroom and building management** activities shall not be counted as instructional time or in the reductions provided for in subsection (5)(a) of this rule.

(7) For **multiple shift programs**, this rule applies to each shift (i.e., **each student** must have access to the minimum annual required hours of instruction).

(8) The instructional time requirement for **twelfth-grade students may be** reduced by action of a local school board for an amount of time not to exceed 30 hours of instructional time.
