

Kayla Tallmon
Specialty Animal Production
Llama Production

About me: My name is Kayla Tallmon I'm a senior at Estacada High School, my hobbies are showing Llama's, 4-H, FFA, hanging out with my boyfriend and my friend's. I have been in FFA for two years now, I have been showing Llama's for 10 years, and i have been in 4-H for 7 years, I live on a Llama farm with my mom and dad Sherri and Will Tallmon and my little brother Logan he is 7 at our farm we have 75 Llama's and 3 dogs and 3 cats. I love living on a farm it's a lot of fun. After i get out of high school i will be moving out and getting a job and also attending Apollo College for Veterinary Assisting.

My project is Specialty Animal Production I will be breeding one of my female Llama's to a stud Llama and getting a baby and selling the baby when it is born but i will be breeding and taking care of the baby Llama my self.

What I'm going to learn is how to breed Llama's and make money off the production of the Cria (baby Llama) and i will learn how to manage money and take care of the baby all on my own.

An Angel red girl and Ana jolee is her cria
