Dear Families, Students, and Staff:

Today we conducted our second “lockdown” drill of the year in conjunction with a random drug dog search. The search was carried out by the Molalla Police K9 Unit and the Clackamas County K9 Unit and was used as a training opportunity for both dogs and trainers. In addition, this was an opportunity for us to restate OUR message that we want Estacada High School to be drug free.

The drill and random search went off without any incidents and I am proud to say that we found exactly what we wanted...Nothing. I would like to thank the students and staff for their patience during this procedure and thank both the Molalla Police Department and the Clackamas County Sheriff's Department for their great service.

If you have any questions or concerns regarding this process please feel free to contact me at 503.630.8515.

Sincerely,

Scott Sullivan  
Co-Principal
