

Kevin Wonser was a 15 year old freshman at EHS when his life tragically ended December 6, 2008, due to an ATV accident on his family's farm. He was passionate about his family, friends, the Estacada community and playing sports. He especially loved basketball and golf.

For those who had the privilege to know Kevin, he had the ability to bring out the best in others, even if they were on the opposing team. He made a positive impact on so many lives during his short time here on earth. "There are some who bring a light so great to the world that even after they have gone, the light remains." This quote sums up Kevin!

The Kevin Wonser Memorial Scholarship has been established to provide funds for personal equipment for athletes at EHS who are struggling financially. Kevin's love of sports is a legacy that now has the opportunity to live on in those students he called friends.

Contributions are being accepted. Mail checks to: Estacada High School, 355 NE 6th Ave. Estacada, OR 97023. Attention: Dee Conrad. (memo: "Kevin Wonser Memorial Scholarship Fund").
